

Reasons: (User story)

My pet George is a monkey.

They are 3 pigs named Hay, Wood, and Brick.

I as a owner own 2 pet George and Clifford.

My pet George has 5 owner me and my other family members.

I want to nail clip and groom my dog Clifford, so I called in and made an appointment with Bob this Friday Lunch.

I want to groom all of my pigs (Hay, wood, and Brick), but must make 3 different booking for each with Scott starting from 3PM Wednesday (All booking are one after another).

I want to groom my dog Clifford as soon as possible and does not matter who grooms my dog.
